

The Churchmouse After Hours Coffeehouse

A warm neighbourhood gathering!

Light & Dark

*Good & evil,
day & night,
hope & despair.*

*We'll bravely stumble
into darkness, and read
and sing our way back
into light.*

Local performers will share songs. Authors will share stories and poems written by another. Audience members are invited to participate with a favourite poem, song or short tale.

***Or just come listen
and enjoy!***
